Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Midland County Flood Prevention & Watershed Protection” project in Fiscal Year 2024. The entity to receive funding for this project is Midland County, located at 220 W. Ellsworth St, Midland, Mich., 48640.

The funding would be used for snag and debris removal in local waterways to prevent flooding. The project is an appropriate use of taxpayer funds because it will prevent flooding in Midland County which has previously caused millions of dollars in damage to homes and small businesses.

This project has a federal nexus because it is for the purposes authorized by the Soil Conservation and Allotment Domestic Act of 1935, 16 U.S. Code sections 590a-590d and 590f-g.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
